

Awards Evening Committee: 2004 AGM Report

By Darlene Cole

The 2003 Awards evening was a success. The traditional banquet style evening was replaced by a social-style evening with music, and was attended by over 130 people. Race directors were presented with a certificate and picture frame, while series award winners were presented with an engraved pen. Duathlon award winners were given a sunglass case, and sponsors were shown gratitude with a long-sleeved Triathlon Manitoba shirt.

The 2004 Awards evening will be held October 30, 2004, the same weekend as the sport leadership conference, at the Sir John Franklin Community Centre (off of Corydon). The social style adopted last year will be done again, with the addition of a keynote speaker, Sharon Donnelly (1999 Pan Am Games Gold Medallist and 2000 Canadian Olympic Team Member). Our theme for the evening is "Survivor".

Tickets for the 2004 Awards Evening will cost \$10 for adults, \$7 for youths (under 19) and \$35 for a family. Tickets are available tonight, or can be purchased at the Triathlon Manitoba office.
