

## **Kenora Borealis Club Report Sept 2005**

Submitted by: Lana Marcine  
Secretary, Kenora Borealis Multisport Club

- We would like to thank Triathlon Manitoba for including us in the Grand Prix Series this season. Hosting the Kenora Borealis Triathlon & Duathlon was the highlight of the year for our club. In our inaugural race, we had 173 participants race on the scenic and challenging course. Over 100 volunteers from both the community and the OPP, and the positive response from various sponsors helped to make our first event a huge success.
- A major goal for our club is to host a Kids of Steel and Try a Tri race next year.
- Kenora Borealis members meet every Sunday to train together in addition to regular rides and swims.
- Our membership continues to grow and we now have 37 active athletes.
- Along with the triathlons in MB, club members attended a variety of sporting events over the past year including: cross country ski races, swim meets, running races from 5 km. to marathons, adventure races and mountain bike races. Some of the major events attended included World Triathlon Championships, World Masters games, and Ironman Canada.
- Thank-you to Triathlon Manitoba for all their assistance over the past season.
