

2007 Awards Evening Report

Submitted by Darlene Cole

The 2006 Awards evening was a success. The evening honored the accomplishments of several athletes, race directors, and coaches. Appreciation was shown to key volunteers and officials. Race directors and officials as well as top athletes were presented with gifts. A PowerPoint presentation enhanced the program and a pizza and pasta dinner was enjoyed by all. Special thanks to committee members Anita Miller, Jaclyn Pauls and Angela Douklias, in addition to all who took the time to submit nominations and presented awards.

The 2007 Awards evening will be held at Sport Manitoba on Saturday October 20. Doors opening at 6:15, and dinner featuring a menu from Buccacino's will be served at 7:00.
